

- Main Screen of the App
- User Could select Sign In/Sign Up

A mobile app sign-up screen with a dark gray border. The screen has a white background. At the top, the text "Sign Up" is centered in a large, black, sans-serif font. Below this, there is a red error message "Username already exists". Underneath the error message are three input fields: "Username" (with a character count "2/8"), "Email", and "Phone". Below these fields is a checkbox labeled "Care Provider". At the bottom, there is a rounded rectangular button with the text "Sign Up".

A mobile application screen with a dark grey header bar containing a back arrow icon on the left and a small dot in the center. The screen displays a form for adding a record. The form fields are as follows:

- Patient Name**: A text input field.
- Record ABC**: A text input field.
- Title**: A text input field.
- Comment**: A text input field.
- TimeStamp**: A text input field with the value "12:00:00".
- Geolocation**: A label followed by two radio buttons, "Yes" and "No".
- Upload Photo**: A button with a rounded rectangle border.
- Photo Description**: A text input field.
- Image**: A placeholder for an image, represented by a rectangle with an 'X' inside and the word "Image" in the center.

Upload Record Image

Step 1 : Select the body part

☒ Front

☐ Back

Next

- Adding a body image on a record

The image shows a mobile application interface for uploading a record image. At the top, there is a back arrow and the title "Upload Record Image". Below the title, it says "Step 2 : Add point to area you want to report". There is a button labeled "+ add points". The main area is a large square with a diagonal cross, labeled "Image" in the center. There are three red 'X' marks on the image: one on the left diagonal, one on the right diagonal, and one on the bottom diagonal. At the bottom, there is a "Next" button.

- Adding points on the body image
- Clicking the point to pop up the window
- Upload the body image in the popup window
- Enter the title of the image uploaded

← **Upload Record Image**

Step 3 : Review the Description

Point_name_1:
My finger is bleeding. Yummmmmm~~~~~
